CLEAN RECOVERY CENTERS EXPANDS INTO NEW TAMPA FACILITY

FOR IMMEDIATE RELEASE

Tampa, FL, June 12, 2017 -- Clean Recovery Centers, a Tampa addiction treatment facility, has moved into new offices at 508 West Fletcher Avenue. CEO Shayne Sundholm said the move to a larger facility was prompted by exciting program growth in all areas. The Center's previous address was 13308 Winding Oak Court.

"Our unique three-phase approach along with our 12-step support system has driven expansion of our intensive outpatient program to new heights. We definitely needed more space," Sundholm explained.

Clean Recovery Centers provides day and evening Intensive Outpatient and Outpatient Services for the treatment of addiction, as well as Farr accredited Transitional Living for both men and women. An expanding program now includes Evening Outpatient Group Therapy, an increase in one-on-one sessions as well as case management work.

"Our intensive outpatient program focuses on the client's strength; we build on what's right with each person, not what's wrong. And it's paying off - we are seeing dramatic results within 3 to 6 months," Sundholm added.

As growth continues, Clean Recovery Centers is seeking additional locations in St. Petersburg, Clearwater and Sarasota.
